On 3/29/2016 inmate inquiry form submitted, wasn't answered so I'm resubmitting: On 3/21/2016 Facility #3 nurse cleared me for Lock-up, but refused inmate request for medical supplies. Even after she was made aware, that inmate Diaper was full of feces and needed changing. Facility #3 nurse denied this request, Sgt. W. Shorter, took me to lock-up where I was informed by Sco. Marvin that Diapers were needed. He had inmate push me in cell 20, before Sco. Marvin closed the door. I informed him that stamper were in my shoulder, diapers were needed, and that getting out of wheelchair to made bed was impossible. Sco. Marvin informed inmate that polices & procedures governing "lock-up" states if inmate couldn't get in and out of bed on his own to receive food or medication. Then inmate wouldn't receive them because he couldn't open the door. So there was nothing he could do. I had to pull the mattsres on the floor and sleep at the door. Inmate was left in middle of floor,

Why'll calling the medical department and informing them I'm walking around the room, they come and see me using the bathroom sitting in the wheelchair. Sco. waters also makes these statement when mess is being served, which is a violation of ADA. Now Sco. Dr. Latimore - Collier, Ms. Farestad N/P has established, and tolerated a deliberately indifference Policy, custom to refuse ADA inmate housed in ACSU medical supplies to aid with chronic medical condition. Maintain hygienic, and to prevent infection leading to future medical complication. I wear diaper, cath. Ms. Farestad N/P stated she cath's without gloves, so I can to, and wipes aren't needed, use your wash cloth to clean feces. Which has caused itching, rash, penis burning. Several complaints with no response, referrals to site leadship & medical administration with them never addressing issues.

Several complaint have been filed since, with nothing changing. On 10/15/18, about 12:20 p.m., medical Nurse Angie stated that N/P Jennifer Farestad, ordered her to inform me to place used catheters and diapers in the corner. When inmates supplies is depleted, used ones must be returned to nurse before receiving more. RE: Failure to protect, according to the following REF: SWSP-18000345, SWSP-18000721, SWSP-18000835, and SWSP-18032627. it was evident a serious problem exist. Officials at SWSP and Central Office deliberate indifference, to my safety. From August of 2016 to the present day, officials, SID, Court-Line designee, and Central Office "Tiffany Fairweather." knowing about detail transcribed in above reference number, confirms retaliatory act, conspiracy, and threats of bodily harm. Since I won't go to population, where I can be harmed and set-up, I fear for my life here. They destroy my word processor, gave away my clear tune radio, sony walkman, surge protector and my fan. These actions have caused unimaginable harm, 3 years in ad-seg, and just given another year. Yet they still returned me to SWSP. This has result in a cascade of failures promulgating through every major infrastructure at SWSP. I am requesting an interview with Central Office.

REF: SWSP-19003028 According to this reference number Linda Linen violated my right to be heard by Central Office. I specifically wrote a grievance to Central Office, and instead of an official from Central Office addressing the issue, Linda Linen took it upon herself to respond to the grievance. I would like this matter reviewed by Central Office for a Final Administrative Decision, so that the court may review these actions of putting my life in eminent danger.
